

GIVING DAY FOR APES 2019

# FALL CELEBRATION

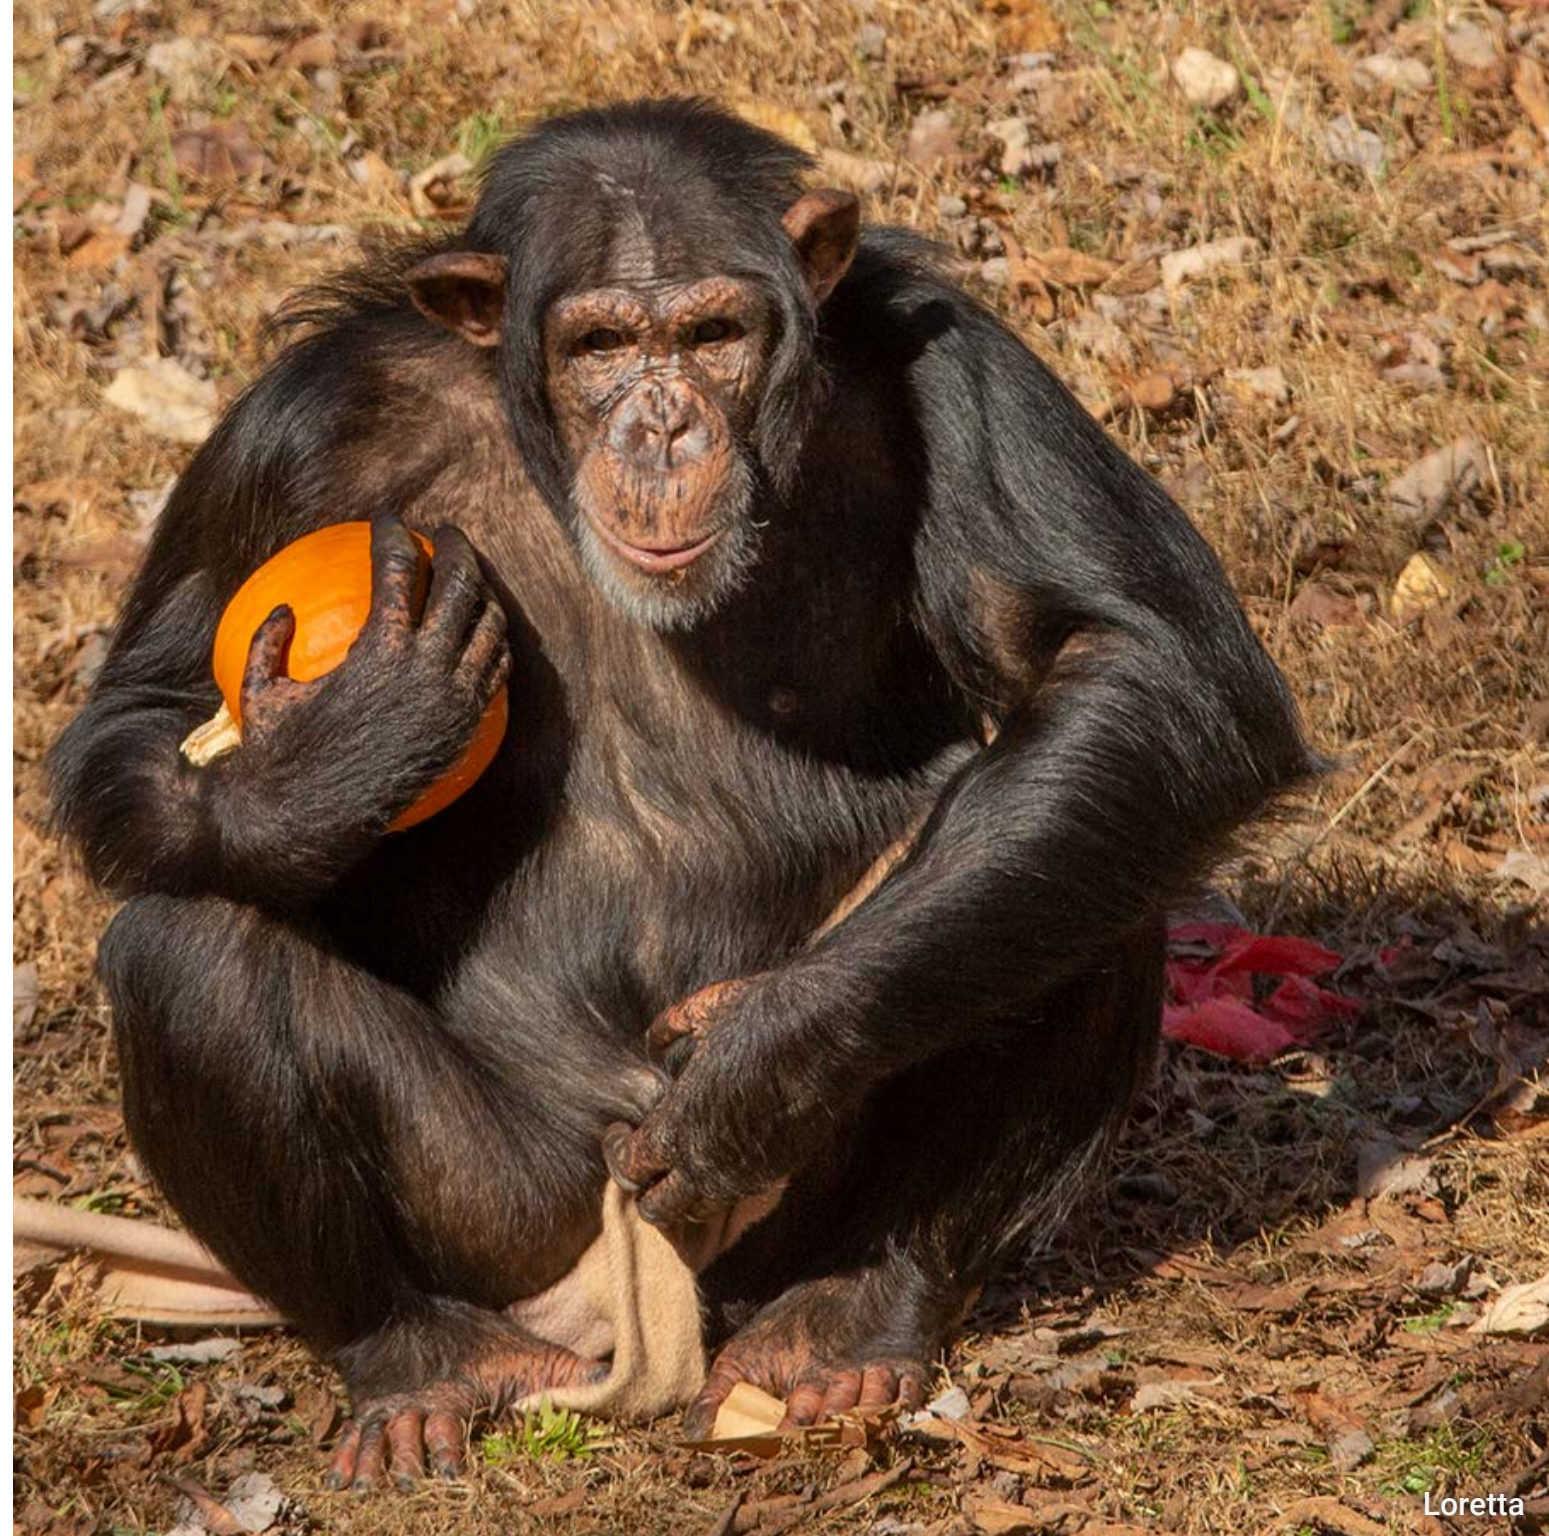

This fall, the 69 chimpanzees at Project Chimps enjoyed a special Celebration that included festive and tasty pumpkins; paper streamers filled with smeared peanut butter, nuts and seeds; and surprise boxes filled with fall fruit enrichment!

Two of the groups experienced the Celebration outdoors in the Peachtree Habitat – Marlon’s group and Kareem’s group. All of the other chimps enjoyed the Celebration indoors.

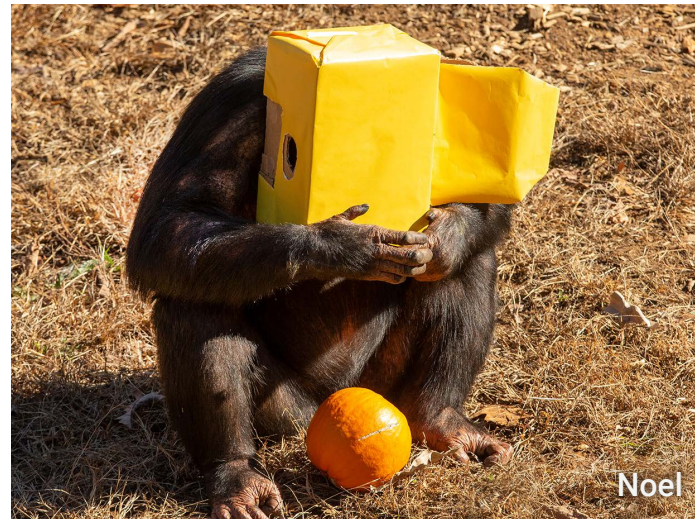

This special day was made possible thanks to your generous support on Giving Day for Apes 2019.
